- 7th-9th Oct**– ncounter Extra based at St Martins House in town.
- 15th Oct**– DVD, Pizza and Popcorn night for Task Force
- 29th Oct**– Reality Training Day

Story of the month– New School Year

After a very busy summer and a week of annual leave, I was looking forward to new school year starting. It was exiting to start all the groups again and catching up with all the young people and their stories from the summer. I think the highlight for me this month however was the Kirby Muxloe Village Fun Day. I had arranged with Hope Hamilton Church to borrow their football cage for the event and the young people loved it! The local cadets took responsibility for the cage whilst I did a spot of face painting . The whole event went really well. For me, it was amazing to see how things have changed in the year that I have been here. I spent most of my time talking to loads of the local young people many I knew already but also meeting many new faces!

Please give thanks for the links we have within the community and that relationships will continue to be built upon.

Please pray for the Parish Council who are meeting on the 6th October. They will be discussing during the meeting whether they would be able to provide funds for our youth club "Thirst"
