

Imagine all over Leicester(shire) in communities large and small, churches working together, bringing Jesus' story alive through word and action. Imagine lives turned upside down and despair turned inside out. Imagine lives changed and communities transformed for the sake of God's Kingdom here in Leicester(shire). Together, with God's help, we can see faith, hope and love come to our broken and beautiful city and county.

Special guests Steve Clifford and Roy Crowne will be joining us to talk about the work of Hope Together and the amazing opportunity there is for a major, youth led, whole Church Mission in Leicester(shire), in 2013. Reality Youth Project on behalf of the Hope Leicester(shire) Leadership Team, invite you to come and hear how you could be involved.

This special, not be missed event, is on Tuesday 27th March at 10am-12noon at The All Nation Centre, 10 Frog Island, Leicester, LE3 5AG. There is ample free parking and drinks and cake will be provided. Together we can achieve so much more!

"It's such a privileged to see the Church being Church, being Good News through words and actions."

Steve Clifford (Chair, Board of HOPE)

"When we unite like this those who don't believe, don't understand and they say how can you do this? And we say Jesus can unite hearts, breakdown prejudices and in that we have the opportunity to communicate the gospel, like we have never communicated it before, to a lost and broken world."

Roy Crowne (Executive Director of HOPE)
