

in our villages, towns & cities

During 2017 and 2018, this is what we are going for:

- 1) 10% growth across Reality in young people engaging in our groups and 10% growth in young people becoming disciples of Jesus.
- 2) Super-sizing what we do in 2017 in 2018 at key points in the churches calendar.
- 3) Planning for events in 2018 to add momentum to our mission with young people.
